NIGHTMARE HAIRCUT

Tam needs a haircut. Her hair is so long she can not see where she is going! The ends dip in the paint when she is painting!

"I dare you to try cutting it," says Liz.

"I'm scared!" says Tam.

Tam sits in a chair by a window so she can see well. She is very careful but cutting her hair without help is scary!

“This is a nightmare! I’ll never be able to repair this!” wails Tam.
“There are even bare bits here and there!”

Liz has a plan.

“Don’t despair, Tam. I gave you a cap for your birthday. Maybe you can wear that until your hair grows back?”

Tam has a plan too. She cuts her hair again. This time it is very short. “At least this haircut is much better for painting” she tells Liz with a grin.

JUMPING JACK GAME

This is a game for two players. Each player has three counters, each set a different colour. Players choose to be Red or Blue and place one counter on each of their colours. Players take turns to move a counter by sliding it into an adjacent space or by jumping over their opponent's counter into an empty space. When a player lands on a word, he/she must read the word aloud. The winner is the first player to get all three of his/her counters in a straight line.
