

Summer stories

Mr Main's pain – a story with **ai** spellings

Mr Main went sailing. It began to hail,
then it rained. A gust of wind hit the
sail and the boat tipped. Mr Main got
up and stepped in the pail. He slipped
and fell into the pond. He began to
flail. Mr Main swam to the bank.
Wind, rain and hail in one day!
It was a bad day for Mr Main.
